Why did you want to volunteer?
I started volunteering with the police department because my oldest son was afraid of the police. He came to our home as a foster child at age 2 and in his previous life, they had taught him that the Police were bad people. I decided to change his mentality by being more accessible to them.

What is your most memorable moment while volunteering?
July 4th - Hidden Creek Independence Celebration... being cussed out by a guy because a certain neighborhood was blocked off.

What else do you do? Hobbies?
Enjoy spending time at the lake or by the pool.

What would you say to a potential volunteer?
That being apart of COPS is going to take a time commitment but it is well worth it, to give back to the citizens of Burleson. You are going to be additional eyes and ears for the Police Department and just like the great work they do, you are not always going to get a pat on the back for everything you do to help out. But it is well worth it and a lot of fun.
